The comments for your order are:

Thank you for your business.

Your order has been shipped and you should receive it within 3 - 5 business days via USPS First-Class Mail.

You specified that you wish to download online. If you have not done so yet, you can download the software from the following location(s):

GrandPrix Race Manager V8.0: <http://grandprix-software-central.com/gprm/download.php>

GrandPrix Race Manager V8.0 Serial#: GPRM8-W026-R1146-83R9-5W11

Your serial number, to unlock the full functionality of the software, is also affixed to the back of the CD case.

If you have any questions, problems or suggestions, please let us know. Also, we would love to hear how your race went.

Your order has been updated to the following status.

New status: Shipped

Please reply to this email if you have any questions.
